

# Leadership Coaching

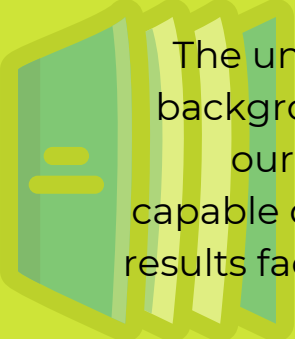

**FAHRENHEIT**  
ADVISORS

STRAIGHT. FORWARD.

When leadership effectiveness, teambuilding or culture change is your focus, our skilled coaches help leaders overcome challenges, clarify goals and achieve improvement

**You not only net results. You net impact.**

## Expertise

The unique style, approach, background & knowledge of our coaches make them capable of delivering superior results face-to-face or virtually

## Goal Setting

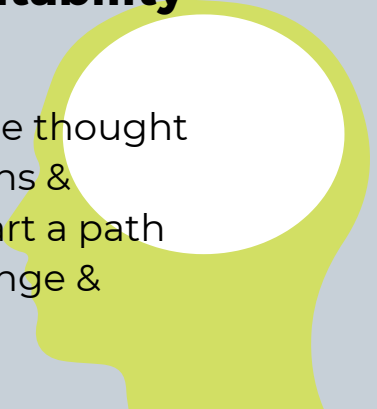

Setting & clarifying appropriate goals for the engagement is critical to achieving desired outcomes

## Coach Selection

The right resource is matched based on background, skill set, comfort level & overall fit

## Accountability

Our experts provide thought provoking questions & suggestions to chart a path to sustainable change & results

# Our Coaching Process

Fahrenheit coaches subscribe to a performer-centered coaching process. We invest time on the front end of our process aligning unique objectives and understanding values, strengths and areas of opportunity.
