[VCARD](#) | [LINKEDIN](#)

Nancy is a skilled finance and accounting professional with experience working in a variety of industries including insurance, medical, and utility generation and distribution. Using multiple accounting systems, she supports Fahrenheit's accounts payable, accounts receivable, and billing functions. She is adept at working with vendors, maintaining 1099 and fixed assets records, preparing monthly reports and reconciliations, and managing relationships with insurance companies.

During her career, Nancy has assisted with various functions related to liquidating a company including working with internal departments, the SCC, and lawyers as well as communicating with claimants regarding legal notices.
