Allison Mayer is a Fahrenheit Business Partner with over thirty years of experience in the field of Human Resources. She has a proven record of helping organizations achieve their strategic objectives and improve their business results by aligning strategy, process, culture and people. As a strategic, yet hands-on business partner, she has lead initiatives from concept to completion in organizations ranging in size from 50 to 4500 employees.

Allison has held human resources leadership positions with global and domestic companies. She has successfully designed and implemented projects for clients in the technology, manufacturing, financial services, healthcare, computer software and property management industries.
