Megan provides a broad range of experience in strategy development, project management, organizational behavior, corporate culture, stakeholder relations, process integration, and change management. She encourages a collaborative process and tailors work to her individual client.

Megan serves her clients by drawing on her multi-dimensional industry experience, which includes agriculture, legal services, state and federal government, infrastructure development, and electric utilities. She was a co-founder of an education support business where she worked closely with private companies, state and local government, and non-profit organizations to establish partnerships and acquire funding. She has provided strategic planning, operations management, marketing support, and vendor relations for small businesses and start-ups.
