Misty is a dynamic Human Resources professional driven to handle organizational challenges head-on with a creative and innovative approach. Misty specializes in addressing rapidly evolving employment market demands and excels in benefits administration, HRIS design and implementation, compensation structuring, employee relations, and establishing effective, modern policies for the workforce.

Misty has worked in a variety of industries, including sales, manufacturing, and healthcare. Most recently Misty served as the Human Resources Director for a skilled nursing facility, serving on the leadership and safety committee, and developing, and implementing OSHA and infection control policies through the rapid changes of the pandemic to ensure employee and resident safety and satisfaction.
