With experience in numerous industries and capacities, Kathy brings a broad perspective to project teams within finance and accounting. Her strengths are leadership, collaboration, and a positive outlook.

As CFO for three companies, in manufacturing, healthcare, and services industries, and as a consultant, she has worked on ERP and other system implementations. In the first 10 years of her career, she worked on numerous international projects. Kathy has experience as an auditor, trainer, negotiator, business analyst, project manager, security analyst, and product owner.
