[VCARD](#) | [LINKEDIN](#)

Ellie brings over 15 years of strategic leadership experience to Fahrenheit Advisors. She has led initiatives across private equity, non-profit, retail, and creative industries to design and implement HR systems, processes, and procedures that streamline operations, drive profitability, and elevate employee engagement and client satisfaction.

Ellie's expertise spans HRIS management, compensation, employee benefits, process improvement, and compliance with employment regulations, including ADA, FMLA, FLSA, Equal Pay, EEOC, Title VII, OSHA, and ERISA. She holds a Master's Degree in Human Resource Management from the University of Richmond.
