As HR Manager, Gillian brings 8 years of Human Resources experience to Fahrenheit. Gillian focuses on multi-state payroll and tax administration, benefits administration, and HR information system configuration and management.

In prior roles, Gillian has worked in a variety of industries including banking, private equity, manufacturing, insurance, and technology. She has managed the payroll and HRIS function for complex multi-state, multi-entity organizations. Within these roles, she has also led HR system implementations, identified and mitigated compliance risk, and trained employees to optimize their utilization of HR platforms. Gillian balances a strategic lens with a detail-oriented approach to ensure accurate, compliant, and efficient management of payroll, tax, benefits, and HR systems.
