VCARD

With over 6 years of accounting experience in general ledger and financial reconciliations, Sara helps clients to meet or exceed their goals by implementing and completing all finance and accounting needs. She delivers a vast knowledge of account reconciliation, implementation of controls for timely month and quarter end closes, 1099 preparation, AP/AR, fixed assets, sales tax, accumulated depreciation, and audit assistance.

Sara's experience ranges from small-to large growth companies spanning across several industries, including Commercial Real Estate, Oil & Gas, and Healthcare. She is well versed in Quickbooks, Sage, Great Plains Dynamics, and Lawson platforms.
