[VCARD](#) | [LINKEDIN](#)

Kristen is a seasoned finance and accounting professional with a background in federal government, manufacturing, and service industries. Specializing in financial reporting, budgeting, forecasting, cost accounting, and process improvement, Kristen has a proven track record of driving financial excellence and delivering meaningful results.

Kristen began her career in government contracting, followed by accounting and financial services at small to mid-sized companies. She has experience in creating accounting controls, improving month-end close processes, reporting financial packages to executive teams, managing internal audits, and leading the implementation of Microsoft Dynamics 365.
