Cindy is an innovative financial controller with proven leadership and the ability to build and motivate high-performance teams in organizations undergoing significant change. As a strategic partner focused on operational results and accountability supported by metrics, she brings comprehensive experience in controllership and treasury functions, strategic planning, IT systems, and SEC reporting to her clients. Cindy excels in implementing financial and operating controls, policies and procedures, and performance metrics, making her an excellent communicator and collaborator.

With over 40 years of experience in various industries and company sizes, ranging from mid-market \$100 million to \$950 million, Cindy is a trusted advisor and financial leader. Her extensive background enables her to navigate complex financial landscapes and provide valuable insights and strategies. Cindy's vast wealth of knowledge and her ability to drive success make her an invaluable asset to any organization.
