[VCARD](#) | [LINKEDIN](#)

With nearly 20 years of experience in corporate accounting, Alicia excels in enhancing functionality across the full accounting cycle, implementing software integrations, and delivering comprehensive reporting for clients. Her diverse industry background enables her to quickly adapt to new projects and teams.

Throughout her career, Alicia has progressed into accounting leadership roles, most notably as a Controller. In this capacity, she has played a pivotal role in integrating acquisitions during periods of rapid growth while efficiently managing daily accounting operations. Alicia is highly proficient in utilizing platforms such as NetSuite, QuickBooks, and Microsoft Dynamics to streamline and standardize processes for clients.
