[VCARD](#) | [LINKEDIN](#)

Lisa is a highly skilled finance and accounting professional, well-equipped to assist clients in navigating the complexities of finance and accounting management. With extensive experience across various industries, including corporate large and small businesses, nonprofits, healthcare, professional services, construction, and foreign owned companies. Lisa offers a comprehensive suite of services such as general ledger management, monthly closings, financial analysis, budgeting, and internal controls.

Lisa brings a wealth of experience to the table with a proven track record leading successful projects, such as accounting system conversions and streamlining accounting processes. Notably, Lisa has significant experience in the nonprofit sector, where she has effectively handled grant reporting, account reconciliations, and interdepartmental collaboration to meet organizational goals. Her strong background in both corporate and nonprofit environments, combined with her proficiency in a wide range of accounting software including NetSuite, Sage Intacct, and QuickBooks positions her as a trusted advisor capable of delivering tailored solutions that drive financial success.
